## Maths Club for Year 6

We are holding a Maths Revision Club for Year 6 pupils on a Monday after school from 3.25pm to 4.15pm. All Year 6 children are welcome. Please sign the slip below and return it to school should you wish your child to take part.

## Reading Records

Children can mark their own reading in their reading records. This will give them independence to take charge of their reading. If there is an adult to sign the reading record then this is also accepted. Please continue to use the records as a line of communication between home and school.

## Time Tables Challenge

On Monday 22<sup>nd</sup> February we are promoting a school league of children who can complete their times table grids. These grids will be differentiated across the school to ensure all pupils are included. Please encourage your child to practise their tables regularly. We are using songs in school to help the children remember them.

## Safer Internet Use

Please find attached information on how to use the internet safely with children.

## Vacancy

Please see attached information about an upcoming vacancy in the school kitchen. Application forms are available from the school reception office.

## School Re-opens

School opens Monday 22<sup>nd</sup> February. We look forward to seeing you then.

## Special Mention

Well done to these children for their hard work.
