IET Message

As you are aware Mrs Gallagher has resigned from her position at Epworth Primary Academy. The Board is grateful for the work done by Mrs Gallagher in taking the school from Measures to Good. In order to ensure continuity the Board have moved quickly to appoint a replacement for Mrs Gallagher and the final interviews for this post are today and tomorrow. Details of the appointment will be shared with you at the start of the next half term.

Nursery

When we return to school after half term we will be joined by children attending the new Nursery in the classroom which has recently been used by Bluebells.

We will then begin the application process for children who will be due to start Nursery in September.

Polytunnel

We are pleased to announce that work has begun on the Polytunnel. It will be ready to use after half term and will be a great asset to the school, enriching all areas of the curriculum.

Big Talk Education

We would like to thank parents who attended the Big Talk Education evening. This was a very useful and informative session.

Children in Key Stage 1 and year 3 have had their talk today. Children in years 4-6 will have their talk after the holidays, date to follow.

Clubs

Clubs will continue the first week back after half term, with the exception of Story Corner. Please accept our apologies but we are unable to run this club during the next half term.

Non Uniform Day

Thank you for all the non-uniform donations – money raised is being donated to cancer charities as agreed by the School Council.

FoES Spring Disco

We would like to thank the members of FoES for organising and running the disco. As always, the children had a great time.
