Welcome Back

Welcome back to our final half term for this school year. It certainly seems to have flown by and the next 6 weeks appear to be very hectic!

Safety in the Sun

If the weather forecasters are accurate, we are set for a warm spell. Please ensure your child has a labelled water bottle in school, adequate sun protection either applied at home or for them to apply at school and a hat/cap. Many thanks for your help with this.

Police Visit

Children in Foundation had a fantastic afternoon on Wednesday when they had a visit from 2 police officers from South Yorkshire Police. Thankfully none of the children were in trouble but they all had a sit in the huge police car and were treated to the sirens and flashing lights. They took the opportunity to ask lots of questions and I am sure that their police role play area will be even more realistic now! A huge thank you to PC Green and PC Venables.

Edinburgh and Hatfield Water Park Residentials

Our final residential visits of the year are fast approaching with the Y6 children setting off for Edinburgh on Tuesday morning and returning on Friday evening.

Our Y5 children are looking forward to Hatfield Water Park – 1st to 3rd July. Please ask at the office if you require more information and please ensure that all outstanding payments are sent to the office as soon as possible.

Recycling Workshop

Children in Brunel, Edison and Bell had an informative morning yesterday learning all about recycling. They looked into how they can help with this issue both at home and at school. By all accounts it was a great hands on morning.

Special Mention

Well done to these children for their hard work.
